THE CHALLENGE

Education is one of the African American community's most enduring values and greatest challenges.

Elizabeth Wesley Youth Merit Incentive Award is a way to encourage our youth to give their best in school. Through this program we have in our hands the means to help our students become more successful by inspiring them to achieve at higher levels of excellence.

It is in our best interest to invest in student achievement and tomorrow's leadership.

VISION

The Tacoma and Pierce County African American community envisions a world where all children can learn if the process of learning is supported and reinforced by caring adults.

PROGRAM

Established in 1995, the Elizabeth Wesley Youth Merit Incentive Award Program was created to recognize and honor African American youth achievement in Tacoma and Pierce County. Academic excellence, community involvement, and good citizenship are honored with an incentive award of \$350. Youth in 9th, 10th and 11th grades are eligible for an award each year at our annual community celebration on the third Saturday of September.

Community Report
Celebrating Academic Excellence

Program Year Ending
2019

Dear contributors:

Thank you so much for your generous and gracious investment. Your contributions to the Elizabeth Wesley Youth Merit Incentive Award Program have enabled us to continue the celebration of African American student excellence and achievement for the last 25 years.

We remain steadfast in the belief that achievement and character matters, and we have in our hands the means, will and desire to inspire our students to reach higher.

As you review the report, please know that a significant number of individuals, businesses and corporations, and community organizations joined to make it possible for us to recognize, honor and encourage over approximately 200 student scholars, and more than 3,100 since 1995.

On behalf of all student achievers and their families, the Elizabeth Wesley Program, we thank you for being a faithful community partner.

Sincerely,

The Elizabeth Wesley Program
Executive Committee
